# HAPPY EDUCATORS LIKE YOU SAID:

“ This was a great group! It was **easy to pick up and use**. The students enjoyed it and learned a lot. We did see students **improve their attendance** after using this curriculum. - Erin L. ★★★★★ ”

“ This is a quick, easy and engaging resource for small group learning. My counseling team has attendance as a goal this year and this will help me support our team in reaching our goal and helping our kiddos understand the need to be at school. Thanks! - Rachel L. ★★★★★ ”

“ My students loved this resource! It is easy to put together, and it is very engaging. I have also had several other counselors ask me where I found it because they enjoyed the lessons too. I would definitely use this resource again! -Taylor S. ★★★★★ ”
