

# Behavior Cards

## Modifiers & Motivators

November- Thanksgiving Edition

By: Mrs. Bell The Crafty Counselor

I was at a seminar and the person sitting next to me kept sharing their opinions with me while the speaker was presenting. After a few minutes of her talking while the teacher was talking, the presenter put an upside down paper on the table in front of her. She turned it over and it read, "Is what you are doing right now helping you learn this information?" She didn't say another word.

When students are off task or misbehaving, drop the appropriate card off at their desk. It is an easy way to let students know they need to modify their behavior without drawing attention to the situation or disrupting class time.

When students are doing what is expected of them, or you think they could use some kinds words, use the motivational cards for extra encouragement. The impact a compliment can have is amazing.

Download includes:

36 Behavior Cards (18 to redirect behavior, 18 to encourage) and 9 blank cards

Simply, print, laminate, cut apart and you are ready for classroom or guidance lesson use! Keep the strategy fresh by switching up the cards monthly!
