Ways to Use this Resource

Multiple uses is a big

So list out as many

Selling point

As you can think of

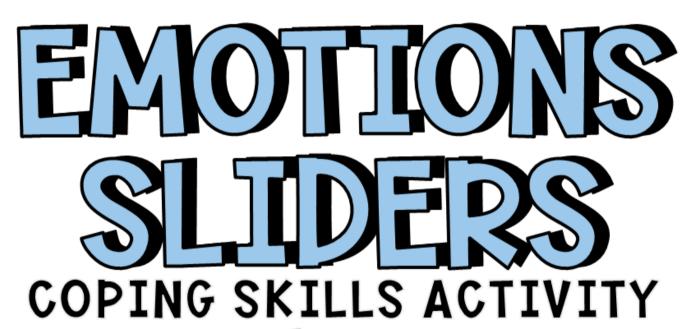

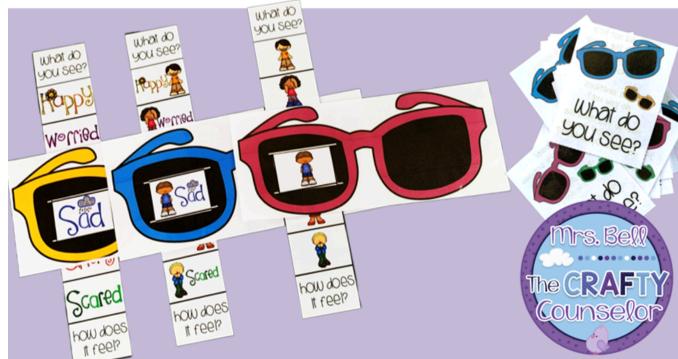

HAPPY EDUCATORS SAID:

Choose reviews that highlight specific things the teacher **LOVED** about the resource to share here! - Add their name & grade to increase trust

Add photos on this page that show off the **amazing features** the review mentions. Maybe even add an arrow pointing to something specific.

Use bold or a different colored text to highlight parts you **especially want buyers to read**.

Keep it short or use [...] to remove some text.
